EDWARD MINER GALLAUDET MEMORIAL LIBRARY  
GALLAUDET COLLEGE  
WASHINGTON, D. C.

VOL. V, NO. 37  
August 4, 1976

## VISITOR IDENTIFICATION PLAN

Although the College does not wish to limit or restrict the presence of legitimate visitors to our campus and in fact people are encouraged to visit the campus, the College also must provide for the safety and well being of everyone on Kendall Green. As a result, a new system for identifying campus visitors during the late evening and early morning hours has been devised.

\*All access to the campus with the exception of the 8th Street entrance will be closed after 6 p.m. The registration booth which was recently constructed will be staffed from 9 p.m. to 6 a.m.

\*All vehicles registered by students, faculty and staff will have decals for both front and rear bumpers.

\*All vehicles with College decals must stop at the registration booth upon entering the campus during late evening and early morning hours.

\*All other vehicles will be logged in and out by the security officer on duty.

## GALLAUDET INCLUDED IN SOCCER HANDBOOK

The following information about our soccer team made it into the 1976 edition of The Complete Handbook of Soccer:

"Only three players are missing from last year's unit and coach Martin Minter is shooting for a .500 season. Top three scorers Idris Dodo, Aristotle Ogoke and Al Talbert were underclassmen, while Ward Pettis and Pat Smith blossomed at the end of last season. If all return, Minter's goal may be achieved."

Best wishes for at least a .500 season!

## NEW TELEPHONE SERVICE INSTALLED

A telephone answering service has

recently been installed which describes current Gallaudet position vacancies and augments the weekly postings of job openings. By dialing 447-0316, interested persons may obtain relevant employment information including job title, salary and job requirements.

## SOMETHING FOR EVERYONE

Candid photography, history and appreciation of jazz, accounting, personnel administration and introduction to Biblical literature are among the hundreds of practical as well as unusual courses which will be offered by the Department of Agriculture Graduate School this fall.

Classes begin on September 27 and mail registration is now in progress. For a copy of the new catalog and class schedule, call 447-4419 or visit Room 1031, South Agriculture Building.

#### PARKING RESTRICTIONS

Due to construction, no parking will be permitted in the Hall Memorial parking lot, the new College parking plaza and on the road north of Hall Memorial Building. If you normally park in one of those areas, please park in the lots adjacent to the Auditorium.

It is hoped that the parking plaza will be reopened by the end of August. The Hall Memorial lot will be completely rebuilt and the construction will take approximately 60 days.

#### AMONG OURSELVES

--Congratulations to Anne and Marty Minter on the birth of a baby boy, July 21.

--Bill Stevens has been asked by Governor Mandel to serve on the state of Maryland's Commission for the Hearing Impaired. The purpose of the commission is to recommend to the governor necessary legislative and funding initiatives to implement programs which will further the interests of the hearing impaired population of Maryland.

--At the 1976 PRWAD Conference in Salt Lake City, Allen Sussman co-chaired the psychology and counseling sections and

gave a major address, "Counseling Theories and Approaches: Do They Work With Deaf People." His participation earned him an award for the most outstanding contribution to the conference.

--Doin Hicks and Bill Stevens attended the Lions International Convention held recently in Honolulu and spoke before a seminar on deafness.

--The 11th Annual International Conference of the Society for College and University Planning was held last month at the Shoreham Americana Hotel here in the city. Orin Cornett gave a major presentation, "Higher Education Planning: An Overview."

#### AN INTERNATIONAL DEAF THEATRE PLANNED

Jane Wilk has been asked by the International Theatre Institute of the United States to head one of its projects, the International Visual Theatre Research Community. The goal of the project is to promote the growth of international deaf culture and to establish an international deaf theatre and cultural center, based in Paris.

Jane, who has been given a leave of absence from the Drama Department to serve as administrative director of IVT, will travel to several European countries in the fall to initiate and participate in a workshop tour with other IVT representatives. From this initial work, an international workshop will be begun in 1977 to develop a common sign language and to explore techniques in the medium of visual theatre reflecting the culture of the international deaf community.

ON THE GREEN is published each week (every two weeks during the summer months) by the Office of Alumni and Public Relations for the faculty and staff of Gallaudet College. Next issue: August 17.
